August 1994

Issue 112

Captain's Cabin

Rich Gelber, K2WR

The End of YCCC?

Yes, yes, the title *is* an overstatement, but I wanted to be sure that I had your attention. Now that I've got it, I want everyone to know that I'm very mad about something, and the something is Club score eligibility. Particularly, the lack of eligibility of several big scores in the ARRL DX contest. I'm not going to embarrass the guilty parties by listing the callsigns involved (or, actually, *not* involved) here, but we can certainly discuss this at the picnic, and at the December meeting. (The October meeting is not the right venue for conducting much Club business of any significance: we want to attract new members there, not scare them away.)

For the last few years the number of Club members' scores submitted that were ineligible due to failure to fulfill meeting attendance requirements has been increasing, and has now reached the point of being totally intolerable. Our score in the 1994 ARRL International DX Contest is being *significantly* reduced due to ineligible scores! Some of the scores that will not count towards the YCCC club aggregate score are large, and come from well-known and well-equipped stations. We have six regular meetings a year, almost all held at a location that was selected because of its central location in the Club area. In addition, an average of three Contest Universities are held in various areas where Club members live. These events (at a maximum level of 1 per member per year) also can count for ARRL eligibility. Some may recall that

this provision was enacted over my objection. (That was an objection to the eligibility aspect, not to the C.U.'s themselves.)

But we *still* have a problem with meeting attendance, and hence with score eligibility. Two meetings a year is just not a lot! Actually, the ARRL is quite correct: If people can't get to as few as two meetings in the course of a year, then we have no right to call ourselves a club. I was opposed to the counting of the C.U. meetings because I didn't want to start down the road of becoming a "paper club" (maybe that should now read "packet club"), but apparently some people can't make a C.U. meeting and just *one* regular meeting in addition.

Reports have also reached me that a few Club members have decided to list their scores as counting for local groups they belong to, rather than YCCC. As far as I am concerned, this is both illogical and harmful to the Club. Those involved know who they are, but I fully intend to make those calls public as soon as I know who they are.

I've never felt, nor have I tried to administer the Club's affairs in such a manner, that winning a Club competition was the essential reason for our existence, either as testers or as a club. But there comes a point where so many members seem to take a completely casual attitude towards the Club's score that we have to decide whether we are going to be a competitive contest club or a perennial also-ran. That time is now — the choice is yours.

April Meeting

Paul Young, K1XM

The next meeting will be on Saturday, August 6. This is the annual picnic.

Please note that this is not the date mentioned at the last meeting. The date was changed to avoid conflicting with the Worked All Europe contest.

Some of us will arrive at 10:00 when the park opens. Others may show up later. Bring food for lunch, and a grill if you have one.

There will be a very brief meeting at 1:00PM, which counts towards ARRL contest eligibility.

Bring your family! The park is a nice place for a picnic and swimming.

The park is 2 or 3 miles west of the Hosts hotel. Exit I-84 onto Route 20 West. Pass the Macdonalds and Burger King. Follow Route 20 until you see a sign for "East Brimfield Dam". The road to Streeter Beach is just after that sign. If you need more information, or you get lost, the telephone number is (508)347-9316.

The meeting dates for 1994 are:

DATE	DAY
August 6, 1994	Saturday
October 1, 1994	Saturday
December 4, 1994	Sunday

The October meeting is at the ARRL division convention in Boxboro, MA.

Secretary's Report Yankee Clipper Contest Club

The June, 1994, meeting of the Yankee Clipper Contest Club was held on Sunday, June 5, 1994, in Sturbridge, Massachusetts. The meeting was called to order by club Vice President JP, AA2DU, and began with introductions of the 41 members and guests present. The treasury balance stood at \$1579.66.

Several members had commercial announcements. Charlie, WZ1R, was selling CT upgrades to v 9 for \$45 and new version 9 for \$75. He also distributed club badges and took a list for new YCCC badges (available for \$2). Len, KB2R, took orders for club polo shirts (\$22, plus \$5 for name and call sign), club T shirts (\$7), and club jackets. The T shirts will be available at the August picnic. He also announced that he will be operating at 4U1ITU for the IARU RadioSport contest in July. Jack, W1WEF, had CT CW interfaces for \$20. Dave, KA1NCN, announced that he will be in FP in July and at VP9 for the IOTA contest. Don, KA1T, was looking for someone to carry stuff to ARRL headquarters. Luigi, AA1AA, asked everyone to get on and make VHF contest QSOs with W2SZ/1.

The club then welcomed nine new members: John B. Hill, KM1A, Jim Spear, KA1FMR, Walter L. Wooten, W1LW, Stan Kugler, Jr., N1NEO, William A. Dodge, WA1PEL, Michael Castellano, KM1R (HS0ZAI), Robert J. Kelemen, KN1Z, Frank Fallon, N2FF, and Robert Mattaliano, N6RFM.

Charlie, WZ1R, then collected more WPX scores, which amounted to 70M so far. He reported that YCCC draws between 30% and 50% member participation in major contests, and that the committee to increase club participation was still working on ideas to better this. Kurt, W1PH, announced that he is now back on packet, and will go back to collecting the club scores for CQ WW and ARRL DX Contests, while WZ1R will be return to keeping score for WPX, SS, and other contests.

The first speaker was Bill Shipp, KC1AG,

ARRL New England Division DX AC representative. Bill discussed the current petitions before the DXAC.

Pratas Island (Tongsha Dao) is back on the agenda. The original petition was all messed up for a variety of reasons, but now BV5AF is in charge of the new petition. The main issue is that the island must be 225 miles from Taiwan. VS6CT, who is in charge of search and rescue operations in Hong Kong, had submitted a chart showing that it is less than 225 NAUTICAL miles from Taiwan. There is still some question about possible rocks and islets in between. The next question is ownership, if Taiwan is a point 1 DXCC country, that is, a separate country from mainland China other than by being grandfathered.

Three petitions have been submitted for the Turkish Republic of Northern Cyprus, one of which was lost. Only Turkey recognizes this so-called country. Bill doubts this one will ever count.

Scarborough Reef is a little-known area off the coast of Manila which is claimed by China and is not claimed by the Philippines. The distances look OK. The reference materials available differ as to how much of the reef is above water. It was apparently used as a bombing range by US planes flying out of Subic Bay. Bill tried calling the Pentagon to ask about this but got no definitive answer. Marty, OH2BH, was in Manila before a group was planning to operate from Scarborough Reef. He hired a plane and flew over the reef to see how much is above water, and reported that only two very small rocks are above high tide. The rest of the reef is awash at best. There is a minimum surface area rule under consideration for DXCC status. So far only the photos of the rocks but no other survey data have arrived from OH2BH.

Stu, WA2MOE, submitted a proposal for point 4A ineligible area. This currently reads that any area not claimed by a DXCC country does not count. The proposal would add that any area whose ownership is disputed should also not count. Bill pointed out that the US and Mexico have border areas under dispute, as do Canada and Alaska. In fact, there are many, many border disputes

everywhere.

A vote was taken at the Dayton DXAC meeting to see if Mt. Athos met the criteria at the time it was added as a DXCC country. The DXAC recommended that the ARRL write to the religious council of Mt. Athos to ask if DXCC separate country status interferes with their religious activities.

No petition has been submitted for the Australes and Marquesas.

Frank, N2FF, then spoke on PRB-1 tower ordinances. Frank is the ARRL state government liaison for NLI. He heads a group of 5 or 6 hams who give presentations to local town boards and variance hearings on towers. Frank and Norm, K2YEW, formed R.A.D.I.O., Radio Amateurs Defense and Information Organization, a nonprofit organization which funds PRB-1 cases.

After the break, Kurt, W1PH, the New England Division CAC representative, talked about issues before the CAC. The CAC recommended that the score of a VHF rover station be the sum of the individual scores in each grid square. They also recommended that one rover station cannot use multiple call signs.

The CAC is looking for ideas to increase participation in the Novice Roundup. One idea is to turn it into a newcomers contest, where a newcomer is anyone who has not entered a contest within the past three years. Possibly shorten the contest from the current two week time frame, so the participants can find each other more easily. Introduce a multi-op "mentor" station where half of the operators are newcomers. Change the name of the contest because the Novice license is basically dead. Call it the Maxim Classic? Provide more incentive for CW contacts. Give away a small freebie for various numbers of contacts (pins, mugs).

The new report format for the ARRL SS and 160m contests in QST shows regional winners for different categories. They recommend splitting the central US into a northern and southern region.

There is also a proposal to make VEs count as DX in the ARRL DX contest now that the Canadians are no longer

affiliated with the ARRL.

They are looking for suggestions for ways to change Field Day, and for how to get new people into contesting.

There is still discussion about requiring electronic log submissions for ARRL contests. Kurt noted that the percentage of submissions on disk is going up.

In the 160m contest, the current DX window from 1830-150 is not effective. How about a 5 kHz window. How can it be enforced?

Charlie, WZ1R, and Jack, W1WEF, then ran a simulated CW pileup contest. This was won by Randy, K5ZD, who copied 53 of the 101 calls. Then they ran an SSB scramble, with a report of any valid call sign you ever held, your score on the CW pileup contest, the ARRL section you were born in, and your shoe size. This was won by Charlie, WZ1R, with sixteen QSOs. Several members noted that the most popular shoe size was 12.

John, K1FWF, then began collecting internet addresses of YCCC members for a new mailing list. Send him yours at jallen@necotech.com.

JP then reminded everyone that the next meeting is the August picnic, probably scheduled for the second Saturday in August and probably for the same location as in previous years. The October Boxboro meeting will feature presentations by N6BV on propagation, K2TR on coax matching, K1XM/KQ1F on operating from HS0AC, and maybe KB2R on 4U1ITU.

Members adjourned to Rom's and other eateries.

Respectfully submitted,
Charlotte L. Richardson, KQ1F
Secretary/Treasurer, YCCC
6 June 1994

QSL'ing every QSO

Peter Chadwick, G3RZP

When you're practically a confirmed Luddite like me, it's easy to see where technological advances make life worse for everybody. The advent of computerised logging has certainly done that in some ways - the ease of QSL'ing EVERY contest QSO is one.

Now I know that it is said that 'the last courtesy of a QSO is a QSL', and that maybe the case if you're ragchewing or, of course, DXing. But contesting? My XYL, G4FNC, is the RSGB QSL sub manager for the series G4BAA - G4BZZ. In practice, I do the work and she gets the \$30 a year gratuity, but that's immaterial. However, in that series we have some keen contesters - G4BLX, G4BUE, G4BUO, G4BWP - and they get a lot of cards. But does G4BUO, for example, REALLY need a card EACH time he works K1—? This can lead to him getting a card for each QSO on each band - 5 or 6 cards per contest. At six contests a year, this is a lot of cards, and when repeated year after year after year.....Think of the trees! Of course, Dave could recycle the cards to print his own!

Raising this point in NCJ brought a claim by a ZS that he has been unable to get cards out of North America for 80 and 40 meter QSO's in contests. I can't imagine how. But the 'QSL every QSO' syndrome is now so easy that these cards give a lot of work to the bureau, and are not really needed by the recipient. A card for the first ever QSO per band and mode is fine, but there are a number of stations who I know do 100% QSL'ing that are on my personal 'avoid' list unless I am seriously entering a contest. If I'm in for just casual operating, I know who not to work so that I don't get my envelopes at the bureau filled, and that seems to be a growing trend amongst the 'casual' contest operators that I have spoken to.

If we assume that would high placings means attracting the 'casual' operator to get the score up, 100% QSL'ing can well become self defeating. There are a number of respected contesters (K1DG, K8CC) who agree on a 'first time per mode' approach, and personally, I would

recommend this. But have you ever wondered what happens to all those cards after they've been submitted for awards? How often do you go through those shoe boxes and look at them again? Has the time come for us to all exchange electronic QSL's via Internet? Or do we have the QSO's on Internet and validate those on the air? To one with a whimsical imagination, the possibilities are limitless. So, it sometimes appears, is the stream of cards from the same guy to the same guy for QSO's in the same contest, year after year.

Biographical details.

Peter Chadwick, G3RZP. Born 1947, son of the late G8ON. First field day, 1948. Licenced April 1963 while 15 years old. Radio Engineer by profession, currently doing systems engineering design and serving on international standardisation committees in the area of Wireless Local Area Networks, with experience in radio receiver and transmitter design, synthesisers, radar and electronic warfare. 312 countries confirmed. President of RSGB in 1993. Has award from employer for 14 patent applications. 23 published professional papers/conference presentations. Active on HF bands, runs a home brew linear with a pair of 4-250As and a screen grid regulator using a 6L6G bought by G8ON in 1936 for the equivalent of 50cents! Antennas include 4 element monobanders on 10 and 15, 5 elements on 20, dipoles and a colinear on 40, vertical for 80 and 160. Married to G4FNC, no kids, but a pure bred sable Burmese cat.

YCCC Internet Reflector

The YCCC Internet Mail reflector is now in operation. Thanks to Jim Reisert, AD1C, and John Allen, K1FWF, you can now send internet mail to a reflector. (Similar to the Contest, DX and CT mail reflectors.)

To add yourself (subscribe) send an email message to:

Majordomo@sting.mlo.dec.com

Put the following text in the *body* of the message:

subscribe yccc

To get help with other commands, send this message to Majordomo:

help

You can also get a copy of the list. Full info on all features is sent with subscription acknowledgement.

Thanks to Jim, AD1C for the setup of this reflector.

New Crew

Please welcome the following new members, who joined at the June meeting:

John B. Hill, KM1A
29 Kelseytown Rd.
Killingworth, CT 06419
phone: (203)663-2153

Jim Spear, KA1FMR
153 Crown Point Rd.
Rochester, NH 03867
home phone: (603)335-6643
work phone: (603)742-8455

Walter L. Wooten, W1LW
102 Vinegar Hill Rd.
Gales Ferry, CT 06335
home phone: (203)464-9956
work phone: (203)433-0303

Stanley Z. Kugler, Jr., N1NEO
147 Grandview Ave.
Waterbury, CT 06708-2508
phone: (203)754-0275

William A. Dodge, WA1PEL
78 Littleworth Rd.
Dover, NH 03820
home phone: (603)742-0130
work phone: (603)271-6014

Michael Castellano, KM1R (also HS0ZAI)
631 Great Hill Rd.
Guilford, CT 06437
phone: (203)457-1701

Robert J. Kelemen, PE, KN1Z
Skygate Estate
Andover, VT 05143-0099
home phone: (802)875-3399
work phone: (802)875-3318

Frank Fallo, N2FF
30 East Williston Av.
East Williston, NY 11596
home phone: (516)746-7652
work phone: (718)268-3137

Robert Mattaliano, N6RFM
15 Increase Ward Dr.
Northboro, MA 01532
home phone: (508)393-4954
work phone: (508)872-8400 x 4424

Movers and Shakers

New address for Russ, WA1TTV:
Russell W. Corkum, Jr., WA1TTV
22 Hathaway Road
Lexington, MA 02173
home phone: (617)862-5903

Linda, ex-N1OQI, is now N1RWM.
Her new work phone is (508)898-6765

New work phone for John, K1FWF is
(508)635-6854

CQ WW in Dominica?

Paul Young, K1XM

Charlotte and I plan to operate the CQ WW CW contest closer to home this year, probably on the island of Dominica, J7. We have located a cottage with two bedrooms and a kitchen on the North side of the island. Although we can go by ourselves, we are looking for another operator or two. If you are looking for a group to join this could be your opportunity. If you haven't gone on a contest DXpedition before but would like to, we can help you with the logistics—an chance to "learn the ropes". I don't expect to win Multi-single, but we should have a good time.

Non-ham spouses can be accommodated, and there are other cottages on the property if we want more space.

Contact me if you want more information.

THE CLUB RESOURCES PAGE

The Place to Find Club Information

DUES are due at the April election meeting, which begins our club "contest year", with a grace period until the end of June. Membership in the club will lapse at the end of the grace period if dues are not paid up. In order to re-join the club, a lapsed member must attend a meeting, like any new member, and be welcomed back into membership, or may become a subscriber to the *Scuttlebutt* by paying up (see below). Club members who move out of club territory and so are not eligible to contribute to club aggregate scores automatically become subscribers. New members who join at the last meeting of the club's contest year (February) are credited with dues for the following year (that is, the contest year beginning that April). You can tell if you owe dues by checking your 'Butt mailing label. Only paid-up members are eligible to contribute to the club score in contests.

FAMILY MEMBER Members of the same family living at the same address may elect to receive only one copy of the *Scuttlebutt*. One member of the family must pay full dues, enabling the rest of the family to join as family members. Being a family member is currently free.

STUDENT MEMBERS Full-time students are eligible for dues at half the regular rate.

SCUTTLEBUTT SUBSCRIBERS Anyone may subscribe to the club newsletter, the *Scuttlebutt*. A subscription currently costs \$10 per year. At the present time, overseas subscriptions cost the same as domestic (we have very few overseas subscribers). The subscription period begins at the beginning of the club year, in April. New subscribers who begin their subscriptions after the December issue are considered to have paid for the following year (that is, they receive as many issues as new members joining at that time do). You can tell if your subscription is current by checking your 'Butt mailing label. The grace period for late subscriptions is the same as for late memberships.

SCUTTLEBUTT ARTICLES should be sent to the *Scuttlebutt* editor, Paul Young, K1XM, 11 Michigan Drive, Hudson, MA 01749, home phone (508)562-5819. The deadline for each issue is usually three weeks before the next meeting.

CLUB BADGES are available from WZ1R. Send two dollars, Your callsign, name, and mailing address to WZ1R-YCCC Badge, P.O. Box 9106, Pawtucket R.I. 02862

CLUB JACKETS Len, KB2R coordinates group purchases of club jackets.

CLUB QSL CARDS are ordered through John Dorr, K1AR, 8 Anchor Lane, Mt. Sinai, NY 11766.

PACKET NET information is available from Charlie Carroll, K1XX, Candlelight Rd, Ringe NH 03461.

CONTEST SCORES are sent to the club scorekeeper, Kurt Pauer, W1PH.

CLUB ROSTER appears in the summer issue of the *Scuttlebutt* every year. Updates are published when members move or change callsigns. If you want a new copy of the club roster, contact the club secretary/treasurer, Charlotte Richardson, KQ1F, 11 Michigan Drive, Hudson MA 01749, home phone (508)562-5819.

CONTRIBUTIONS The YCCC welcomes your contributions, be it money to help offset the cost of the *Scuttlebutt* and club operations, scores for the club aggregate score, time spent helping other members, articles for the *Scuttlebutt*, or presentations at club meetings.

CTCONTEST LOGGING SOFTWARE is available from K1EA Software, 5 Mount Royal Avenue, Marlborough MA 01752 for \$69.95 plus sales tax. Telephone (508)460-8873, FAX (508)460-6211, BBS (508)460-8877.

W1 QSL BUREAU is sponsored by the YCCC. Keep your account up to date with SASEs, or send a check. Stamps are sold at face value, envelopes are 10 cents each. W1 QSL Bureau - YCCC, PO Box 216, Forest Park Station, Springfield, MA 01108.

ARRL LIAISON For ARRL matters, contact Tom Frenaye, K1KI, PO Box 386, West Suffield CT 06093, home phone (203)668-5444.

Dues are \$15 per year, payable 1 April. Non-members may subscribe to the *Scuttlebutt* by sending \$10 to the treasurer: Charlotte Richardson, KQ1F, 11 Michigan Drive, Hudson MA 01749. Subscribers who subsequently become members will be credited as having paid \$10 towards dues.

The *Scuttlebutt* may be reprinted in whole and in part, except for separately copyrighted articles, provided proper credit is given.

The Yankee Clipper Contest Club (an ARRL affiliated club) holds six official meetings per year, on the Saturday or Sunday afternoon of the first full weekend of every even month, usually in the Sturbridge, Massachusetts area. The deadline for article submission to the *Scuttlebutt* is usually three weeks before the next meeting date. The next meeting will be on Saturday, August 6, 1994. Attendance at an official meeting is required in order to become a member. Club members congregate on 3830 after contests. The packet frequencies for DX spotting are 144.95, 145.69, 144.93, 144.97, 144.99 and 145.57 MHz.

Rosters are mailed to all paid members each summer. For more information and/or assistance, contact the area manager nearest you.
